## **PROSITES TO EXHIBIT WEBSITE DESIGNS AT THE 142<sup>nd</sup> MID-WINTER MEETING IN CHICAGO ON FEBRUARY 22-25**

**Temecula, CA – February 12, 2007** – ProSites, Inc., the nation’s leading provider of high quality website design and Internet marketing services for medical and dental professionals, is exhibiting at the 142<sup>nd</sup> Mid-Winter Meeting, hosted by the Chicago Dental Society (CDS), on February 22-25, at the McCormick Place Lakeside Center in Chicago, Ill. ProSites can be found in **Booth #2842**.

As a first-time exhibitor at this show, ProSites will conduct on-site website demonstrations showcasing its full range of web designs featuring new page options such as Quick Contact Form and an Online Appointment Request page, designed for dental practices to effectively streamline patient communication and online appointments. The ProSites unique “try-before-you-buy” option invites booth guests to take a free test drive to view their own actual website before making a purchasing decision.

“Viewed as the ‘buying show,’ the Mid-Winter Meeting attracts dentists and dental professionals who want to learn about current technological advancements in the dental industry,” said ProSites CEO Lance McCollough. “For this reason, we welcome a platform to demonstrate first hand how a strong online presence attracts new patients to their practice, and educates and improves online communication with their existing patients,” McCollough said.

### **About ProSites**
