

# ProSites Attains Microsoft Certified Partner Status

*ProSites further distinguishes itself by earning a Microsoft Competency in ISV/Software solutions*

Temecula, CA ([PRWEB](#)) December 20, 2008 -- ProSites, the leading website design firm for dental and medical professionals, announced it has attained Microsoft Certified Partner Status with a competency in ISV/Software solutions, recognizing ProSites expertise and impact in the technology marketplace.

## ProSites - Microsoft Certified Partner

ProSites is the next generation website solution for dental and medical professionals who want the ultimate Web presence for their practice. In addition to spectacular site styles, each website is powered by ProSites exclusive Web Engine technology that provides an amazing set of features and benefits not found in any other websites. "We are extremely pleased to have attained Microsoft Certified Partner Status with a competency in ISV/Software Solutions," said ProSites CEO, Lance McCollough. "This allows us to clearly promote our expertise and relationship with Microsoft to our customers. The benefits provided from our Microsoft Partner Status will allow us to continue to enhance the offerings that we provide for our customers"

ISV/Software Solutions Competency recognizes the skill and focus partners bring to a particular solution set. "Solutions competencies are an important way for Microsoft to better enable ISV's to meet customer needs," said Sanjay Parthasarathy, Corporate Vice President of the Developer and Platform Evangelism Group at Microsoft. "They allow ISV's to keep and win customers through their deep knowledge of solutions-based Microsoft platform technologies. Microsoft has a long history of working closely with ISV partners to help them deliver compelling solutions and applications to our mutual customers and the Microsoft competencies are an important step in continuing to enhance vital relationships with ISV's worldwide"

The Microsoft Partner program was launched in October 2003 and represents Microsoft's ongoing commitment to the success of partners worldwide. The program offers a single, integrated partnering framework that recognizes partner expertise, rewards the total impact that partners have in the technology marketplace and delivers more value to help partners.

## About ProSites

ProSites is the nation's leading provider of high quality website design and internet marketing services specifically tailored to the needs of dental and medical professionals. The company's

exclusive Web Engine technology fully automates the creation of high end, graphically compelling websites that help doctors to market their practices on the internet and attract new patients. In addition to an excellent collection of patient oriented content, the websites also include interactive features that help streamline patient communication and online appointment requests. Headquartered in Temecula, CA, ProSites is a privately held corporation.
