

ProSites Endorsed by California Dental Association

Website Design and Internet Marketing Leader Selected as Provider of Choice for California Dentists

Temecula, CA ([PRWEB](#)) March 27, 2009 -- ProSites, Inc. recently announced that they have been selected by the California Dental Association (CDA) as the endorsed website provider for their nearly 24,000 member dentists.

"The CDA Council on Endorsed Programs reviewed many website design firms, and we believe ProSites offers the best service and value for our members," remarked Evet Dickinson, Manager of Endorsed Programs for the CDA. The CDA carefully evaluated the website content, design, and ease of use, as well as the value and service of numerous other website design firms before selecting ProSites as the best option for their members.

"We are delighted to have been selected by the California Dental Association as their preferred website provider," said Lance McCollough, ProSites Founder and CEO. "We know our website solution is unparalleled, and we are enthusiastic about showing CDA members how they can grow their practices, attract new high-value patients and stay on the cutting edge of dentistry with a ProSites website."

Active CDA members can take a free Test Drive and receive special member only pricing on the setup of their website by visiting www.prosites.com/cda.
