

New Mexico Dental Association Endorses Dental Website Leader, ProSites

ProSites named top dental website provider to help New Mexico Dental Association members reach new patients online.

Temecula, CA – April 17, 2012 - ProSites, the technology leader in dental website design, is proud to announce its endorsement by the New Mexico Dental Association (NMDA). The collaboration enables NMDA members to receive the highest-quality online marketing solutions at an outstanding value.

“Recognizing professional websites as a vital service for our members, we conducted in-depth research to identify the top provider in the industry. The NMDA is confident ProSites will deliver the greatest results and value to our members, and we are proud to add them to our list of endorsed partners,” remarked Dr. Michael Brown, NMDA Membership Services Committee Chairperson.

Founded in 2003, ProSites is the innovator that transformed the dental website industry by introducing the first content management system (CMS) for their members. This groundbreaking technology allows doctors to fully control their website and make edits instantly - with a simple “point and click.”

The technology gives ProSites the unmatched ability to develop and release new features to all of their members, free of charge. Therefore, doctors know their website will always remain up-to-date without incurring hidden fees; this is a tremendous benefit that distinguishes the firm from competitors and further signifies why ProSites is the preferred website provider for thousands of doctors nationwide.

With ProSites, doctors access the most comprehensive online marketing solutions for their practice. From advanced search engine optimization (SEO) and mobile websites to local search marketing and social media services, ProSites delivers tailored solutions to help doctors effectively market their practice online.

“We are honored to be endorsed by the NMDA,” stated Lance McCollough, founder and CEO of ProSites. “We look forward to showing NMDA members how our proven services make it easy for them to establish a strong online presence and successfully convert prospects into new patients.”

The NMDA is one among many prestigious dental associations that have endorsed ProSites for its superior website designs and search engine marketing expertise. ProSites is additionally recognized for its accelerated growth and outstanding success as a two-year honoree on the Inc. 5000 List of America’s Fastest-Growing Private Companies.
